

SERVICE MANAGER

As Service Manager, you will be based in one of our community based nursing homes. You are managerially and clinically responsible for:

- ensuring that the culture, systems, and standards of practice within the service reflects the philosophy of care as determined by Mental Health Concern (MHC)
- staffing, budget, resources, support networks, and public relations within and relating to the service
- ensuring that the Clinical Lead(s) organise, develop, and deploy care provision, ensuring that MHC policies and procedures are safely implemented within their service
